BULGAR PORT  
BOMBARDED BY  
ALLIED FLEET

Capture of 20 Munitions Wa-  
gons and War Material Re-  
ported by Sofia—Ger-  
man Attacks Fail.

International News Service:  
SOFIA, Oct. 7.—An allied fleet  
has bombarded the Bulgarian port  
of Dedegatch on the Aegean sea,  
the war office announced today, but  
the ships were driven off by sea-  
planes after doing slight damage.

An attempt by the Serbians to  
cross the Tchernia river near Skot-  
chivir was repulsed. South of Dorian  
there has been an eight-hour arti-  
llery duel.

On the Danube front, the official  
report says, quiet prevails.

The bridge over which the Rou-  
manian invaders passed into Bul-  
garia has been destroyed, the Bul-  
garians capturing 20 munitions  
wagons and other war materials.

The official report says that the  
Russo-Romanian forces in Dob-  
rudia have continued their attacks,  
but that all failed. Sixty Russians  
were captured.

On the Black sea coast the Rus-  
sian fleet has become very active.

## REPULSE ATTACKS.

International News Service:  
LONDON, Oct. 7.—An attempt by  
the Germans on the Somme front to  
win back lost ground northeast of  
Faucourt-Abbey in a bombing at-  
tack was repulsed by the British last  
night. Otherwise the night was  
quiet, the war office announced to-  
day, except for successful trench  
raids by the British near Armentières and Loos.

## LITTLE DOING.

PARIS, Oct. 7.—The night was  
calm on the Somme front, the war  
office announced today, although the  
usual artillery duelling continued.  
Progress for the French, British,  
Serbians and Italians on the Macedo-  
nian front was reported by the  
war office today.

The French also reported the  
driving out of the Bulgarians from  
Nevelin by the British. This was  
reported yesterday by the British.  
The Italians delivered successful at-  
tacks near Lake Isonzo.

LONDON, Oct. 6.—Turning  
against the Roumanians, who had  
been advancing steadily in eastern  
Transylvania, Austro-Hungarian and  
German troops have defeated the  
invaders decisively along a fifty  
mile front. North of Fergana, at  
the juncture of the Homorod and  
Alt rivers near Reps, the Rouma-  
nians are in retreat, pursued by the  
Teutonic troops.

The successful repulse of the in-  
vaders on the southern end of the  
line was at the hands of Gen. Von  
Falkenhayn, former chief of the  
German general staff, and who only  
last week routed the Roumanians  
around Hermannstadt and drove  
them back to their own frontier.

cago to New York.

International News Service:

Asst. Postmaster Gen. Frazer today  
issued a formal order authorizing  
Victor Carlstrom, aviator, to carry  
two bags of United States mail by  
aeroplane from Chicago to New  
York. Carlstrom plans to make the  
trip between sunrise and sunset in  
a non-stop flight, between Oct. 7  
and Nov. 1. Carlstrom represented to  
the postoffice department that he  
could make a continuous trip in 10  
hours, about 14 hours faster than  
the speediest mail trains.

INDIANAPOLIS, Oct. 7.—The  
city board of health today rescin-  
ded an order requiring all school  
children to be inoculated against  
typhoid fever before entering schools,

kept at home by parents who re-  
belleed at the order, will enter school

Eleventh Hour  
Pleas Fail to  
Save Murderer

International News Service:  
OSSINING, N. Y., Oct. 7.—Despite  
urgent eleventh hour pleas of War-  
den Thomas Mott Osborne and many  
prominent bankers, Thomas Bam-  
brick of New York, was electrocuted  
in Sing Sing prison today for mur-  
der. Requests for a reprieve were  
made to Gov. Whitman almost up  
to the hour of execution, but all  
were rejected. Bambrick shot George  
Dapping, a New York policeman, at  
a political picnic on Sept. 23, 1915.  
After the first shock was admin-  
istered a wire connected with the  
head electrode became detached.  
The unconscious form of the con-  
demned man sagged forward in the  
death chair and Executioner Hurlbut  
was forced to make repairs before  
the second shock could be given.

OWLS WILL FILE  
\$1,000,000 SUIT

Officers of Loyal Order of  
Moose to be Accused of  
Conspiracy in Petition.

Suit for a million dollars in dam-  
ages will be filed against the Loyal  
Order of Moose and several of its  
officers by the Order of Owls, fol-  
lowing a resolution passed by the  
supreme trustees of the Owls, as  
announced Saturday by John W.  
Talbot, supreme president of the  
order. It is probable that separate  
suits will be filed against the Moose  
in behalf of Pres't Talbot and George  
Berth, both of South Bend.

The resolution passed by the Owls  
provides that the suit be filed in the  
United States district court of In-  
diana if that court has jurisdiction.  
The Moose lodge and its officers will  
be charged with conspiracy and  
other illegal acts, according to the  
resolution passed by the Owls' trust-  
ees. Among the Moose officials who  
will be named in the suit are  
James J. Davis, Rodney Brandon,  
Arthur Jones and others.

The supreme trustees of the order  
are Ferdinand D'Esopo, Hartford,  
Conn., T. J. Hewson, Chicago, Ill.,  
and Fred T. Moore, Cedar Rapids,  
Ia. The Moose lodge is said to have  
an income of more than a million  
dollars a year and extensive hold-  
ings at Mooseheart, Elgin, Ill.,  
which the Owls declare will be sub-  
ject to pay any judgment that may  
be obtained. The suit is the out-  
growth of suits which were filed  
against officers of the Owl lodge sev-  
eral months ago which were later  
dismissed.

## MADE TOO MANY ARRESTS

Marshal and His Three Deputies Are  
Run Out of Town.

ATQUSTA, KAN., Oct. 7.—Enraged  
by the arrest of six prominent citi-  
zens on charges of violating traffic  
ordinances, a mob early today  
stormed the jail here, ran Marshal  
Crooke and his three deputies out of  
town and liberated the prisoners.  
The climax of the arrests came when  
William Peel, candidate for the leg-  
islature, was taken from his home  
on Main st. on a white horse with a lantern held be-  
fore him, and was taken in charge.

\$40,000 Swindle  
Stopped by Cashier

Explosion in Grain Dust Causes \$40,000 Fire at Chicago.

International News Service:  
CHICAGO, Oct. 7.—J. C. Bolton  
and George Brintzen are in jail and  
J. E. Henderson of Lincoln, Ill., is  
\$10,000 ahead today because W. J.  
Finkley, cashier of a Chicago bank,  
became suspicious when Henderson,  
accompanied by two men, sought to  
draw his money from the bank. Two  
other men are sought.

Henderson told the police he met  
one of the men in Los Angeles and  
was introduced to Bolton, who of-  
fered to let him in on a deal in  
wheat. Henderson was told he had  
won \$40,000, but would have to  
shoot \$10,000 in cash before he could  
get his winnings. Henderson, who is  
held under bond as a witness, says  
he will not prosecute the case.

TRADE SECRETS  
GIVEN OUT BY  
U. S. CHARGED

Protests Against Alleged Neu-  
trality Violations Said to  
be Attempt to Muzzle  
Government.

International News Service:  
WASHINGTON, Oct. 7.—Protests  
against alleged violations of neu-  
trality by the United States consular  
and diplomatic officials have been  
filed with the state department by  
diplomatic representatives of several  
of the belligerent countries of Eu-  
rope. The protests now are pend-  
ing before state department officials  
and are perplexing them as to how  
they should be handled.

The burden of the protest is that  
the United States, through certain  
officials and departments, has made  
known generally trade secrets and  
other information relating to in-  
ternal affairs of the belligerent coun-  
tries. This information, it is  
charged, has fallen into hands of  
enemies who have been able to use  
it to the disadvantage of the nations  
reported upon.

An effort plainly is being made,  
officials say, through these protests  
to muzzle the American government  
so far as reports on the trade of the  
various countries of the world are  
concerned. Should these efforts  
succeed American merchants, man-  
ufacturers and exporters will be cut  
off from sources of information upon  
which they are relying for aid in  
building up a strong foreign trade  
now and at the close of the war.

State department officials have  
clashed with representative of other  
departments on the protests, the  
state department being inclined to  
prevent publication while other gov-  
ernment officials take the side of the  
American business men and urge  
full publicity stating that there is  
no real violation of neutrality in-  
volved.

wounded after he had been kidnaped  
Wednesday and held for \$15,000  
ransom. Perry, after being shot,

the darkness and dropped uncon-  
scious while telling his story at the

## DEAD MAN GUIDED CAR

Auto Runs Into Another But Occu-  
pants Are Not Hurt.

International News Service:  
OMAHA, Neb., Oct. 7.—Mrs. F. S.  
Trullinger is alive today because the  
hands of her dead husband safely  
guided an automobile down a steep  
hill and brought it to a stop against  
the rear end of another car going  
in the same direction late last night.  
Mrs. Trullinger, discovering her hus-  
band was dead, vainly tried to re-  
move his hands from the wheel and  
his feet from the brakes. No one  
was injured in the collision. Trul-  
linger died of apoplexy.

Explosion in Grain Dust Causes \$40,000 Fire at Chicago.

International News Service:  
CHICAGO, Oct. 7.—Two explo-  
sions of grain dust early today

Mexicans Will  
Not Insist on  
Troops' Recall

International News Service:  
ATLANTIC CITY, N. J., Oct. 7.—  
The deadlock in the negotiations  
between the American and Mexican  
commissioners was at last broken  
today when the Mexicans agreed to  
formulate a plan for the protection  
of the Mexican border without in-  
sisting on the withdrawal of the  
American troops, a condition on  
which they had stood pat from the  
outset.

SUNDAY SCHOOLS  
MEET NEXT WEEK

Sixth Annual Convention Will  
be Held at the First  
Baptist Church.

The St. Joseph County Sunday  
School association will hold its sixth  
annual convention on Tuesday and  
Wednesday, Oct. 10 and 11, at the  
First Baptist church of South Bend.

Besides the delegates of the 408  
Sunday schools, which are members  
of the association of all the protest-  
ant schools of the city, the general  
public is cordially invited to attend  
any and all of the meetings. Good  
speakers, both foreign and local,  
have been secured to address the  
audience and new and authoritative  
statements may be expected on all  
the questions that are attracting the  
attention of the Sunday school  
world.

Since 1910, when the association  
was formed, the annual conventions  
of the county schools have proven  
their worth in the promulgation of  
valuable knowledge relative to the  
Sunday school work. Among the  
speakers and workers from other  
cities who will be heard at the con-  
vention this year are Miss Emma G.  
Lemen of Indianapolis and Dr. Wise-  
man of Lakeville.

Miss Lemen will address the Tues-  
day morning meeting with a series  
of talks on "News From the Firing  
Line." In the afternoon she will  
give a talk on the "Missions in the  
Sunday School." She will also have  
charge of the Wednesday morning  
meeting. Dr. Wiseman is a singer  
of state-wide fame, especially in re-  
ligious work, to which he confines  
himself almost exclusively.

The local men who will address  
the meetings are: Rev. C. A. Decker,  
and Rev. W. H. Presley. The latter  
will deliver the principal address of  
the Tuesday meeting on "A Big  
Prosperous Sunday School, How to  
Get It." The leaders of the devo-  
tion are: Rev. R. A. Bird, Rev. A.  
H. Keck, Rev. A. G. Hunt, Rev. G.  
F. Byrre, Rev. D. A. Kaley and Rev.  
J. Burnett of Mishawaka.

Edison and Ford Will Work  
For Reelection of Pres't Wilson

News-Times Special Service:  
NEW YORK, Oct. 7.—Thomas A.  
Edison, Henry Ford, arm in arm,  
walked into the office of Chairman  
Vance C. McCormick, democratic  
national headquarters Friday, and  
announced quite simply that since  
they are heart and soul for Wood-  
row Wilson, they wanted to find out  
how they could best direct their ef-  
forts to insure his re-election. Mr.  
McCormick had invited them to do  
so and they took him at his word.  
The two wizards went to luncheon  
with the chairman and Sec'y of the  
Navy Daniels and conferred, particu-  
larly with regard to methods of  
reaching the independent voters of  
the country.

"Give the people the facts," de-  
clared Mr. Edison. "And it will be  
a Wilson landslide. No president

PRESIDENT HAS  
HEARD NOTHING  
FROM GERMANY

Tells Newspaper Men He Did  
Not Surrender But Inter-  
vened in the Eight-  
hour Proposition.

International News Service:  
ON BOARD THE PRESIDENT'S  
TRAIN, HARRISBURG, Pa., Oct.  
7.—Pres't Wilson, in a declaration  
to the newspaper correspondent said  
today that "he had not surrendered,"  
but rather had "intervened,"

Reports emanating from New  
York that James W. Gerard, the  
returning American ambassador to  
Germany, is bringing peace proposals  
got no confirmation on the presiden-  
tial train. Pres't Wilson knows  
nothing of any such proposals.

Count von Bernstorff, the Ger-  
man ambassador to this country, is  
expected to be a visitor at Shadow  
Lawn on Monday, but his mission is  
to present a letter from the kaiser  
to Pres't Wilson on Polish relief  
work.

It has been three years since the  
president showed his human side  
so intimately as on the present trip.  
He talked frankly with correspond-  
ents. Mrs. Wilson served tea to the  
newspaper men and joined in the  
animated conversation.

The president was scheduled to  
reach Shadow Lawn at 10 o'clock.  
In his speech to the Woodrow Wil-  
son Independent League and a group  
of progressives at Shadow Lawn this  
afternoon the president was pre-  
pared to continue the "political ar-  
guments" stated in his speech of last  
Saturday. A special appeal was  
planned for the independents and a  
"hot speech" was expected.

## RUMOR DENIED.

International News Service:  
WASHINGTON, Oct. 7.—A com-  
plete denial of reports that Amba-  
sador Gerard was bringing peace  
closures from the German kaiser  
to be put in Pres't Wilson's hands  
was authorized by the state depart-  
ment today.

The authorized statement follows:  
"The state department has no rea-  
son to think there is anything in it  
and every reason to think there is  
nothing in it."

deaf, for 35 years she had  
been unable to eat anything except

ever faced such problems, no pres-  
ident made such a record of achieve-  
ments. It is not alone that Wood-  
row Wilson was statesmanship, he  
has leadership too. I have always  
been a republican but I put my  
country above party in a world  
crisis. With the fate of America in  
the balance, I would take shame to  
myself if I did not put myself be-  
hind a man who has given us peace  
with honor, prosperity, with justice  
and preparedness, without militar-  
ism." Mr. Ford was no less em-  
phatic. "Like Mr. Edison," he said,  
"I am a republican but I cannot stay  
with a party that puts office seeking  
first and America last. Pres't Wilson  
has saved the United States from the  
horrors and desolation of interna-  
tional war. He has saved us from  
industrial war. His domestic poli-  
cies have given new strength."
